WE ALSO LOOK FOR EVENT SPONSORS & TEAM SUPPORT IN THE \$250-\$1,000 RANGE

We also recognize early commitment, consequently the order our sponsors are listed in all of our marketing items, as well as on the jersey, is based on when they commit. Once a company or group commit to us for the current fundraising year, they claim their spot in our marketing.

We greatly appreciate your interest in the team and the opportunity to further the good work that occurs at CCBD each day. Please do feel free to contact any of the captains with your questions. Time is short as are the dollars – please act now!
